

DO YOU HAVE A RELIUS USER LOGIN?

NOTICE OF CHANGE FOR RELIUS SEMINAR AND CONFERENCE REGISTRATIONS:

Beginning in February 2013, SunGard requires secure LOGIN as a Relius User in order to register for a Relius Education seminar, Web seminar, or Conference.

Create a login now: www.relius.net/Login/NewUser.aspx

Already have a login? Update your Relius User/Subscriber profile regularly:
www.relius.net/Login/login.aspx

Can't remember your [Relius User name](#) or [Password](#)? No problem. We'll email it to you.

For help with your Relius User Login, contact Client Services at 800-326-7235, and select Option 6.

Your individual, private Relius User Login requires a **simple, one-time process**, and makes it easier and faster for you to register when you see a new program that you or your staff wish to attend. The Relius

User Login provides these advantages and more:

- Easy seminar and Web seminar registrations – most information self-populates
- Easy access to user accounts
- Easy to subscribe to free email alerts:
 - "Pension Technical Updates" keep you updated on late breaking legislative news
 - ~~Web~~ "Seminar Alerts" notify of future seminars, both classroom and Web seminars (live and recorded)

We look forward to seeing at one – or more of our upcoming programs.

Sincerely,

SunGard's Relius Education
