

ADOPTION AGREEMENT #005_001 NONSTANDARDIZED 401(k)NON-STANDARDIZED DEFINED CONTRIBUTION PRE-APPROVED PLAN

The undersigned Employer, by executing this Adoption Agreement, establishes a retirement plan and trust (collectively "Plan") under the __FIS Business Systems LLC_ Defined Contribution PrototypePre-Approved Plan and Trust_ (basic plan document #11).# 02). The Employer, subject to the Employer's Adoption Agreement elections, adopts fully the PrototypePre-Approved Plan and Trust provisions. This Adoption Agreement, the basic plan document and any attached Appendices or agreements permitted or referenced therein, constitute the Employer's entire plan and trust document. All "Election" references within this Adoption Agreement are Adoption Agreement Elections. All "Article" or "Section" references are basic plan document references. Numbers in parentheses which follow election numbers are basic plan document references. Where an Adoption Agreement election calls for the Employer to supply text, the Employer (without altering the content of any existing printed text) may lengthen any space or line, or create additional tiers. When Employer-supplied text uses terms substantially similar to existing printed options, all clarifications and caveats applicable to the printed options apply to the Employer-supplied text unless the context requires otherwise. The Employer makes the following elections granted under the corresponding provisions of the basic plan document.
